Code of Ethics

We pledge allegiance to the following principles and policies:

- Our paramount responsibility is to our customers, our community and our country.
- Honesty is our guiding business policy.
- High standards of health, safety and sanitation shall be built into every home.
- Members shall deal fairly with their respective employees, subcontractors and suppliers.
- Members shall follow the construction guidelines established in the Industry Standards Manual.
- Members shall observe the residential performance guidelines established by the National Association of Home Builders as a standard for determining acceptable quality of materials and workmanship.
- As members of a progressive industry, we encourage research to develop new materials, new building techniques, new building equipment and improved methods of home financing, to the end that every home purchaser may get the greatest value possible for every dollar.
- All sound legislative proposals affecting our industry and the people we serve shall have our informed and vigorous support.
- We hold inviolate the free enterprise system and the American Way of Life.
- We pledge to support our local, state and national association contacts and all related industries concerned with the preservation of legitimate rights and freedoms.
