## Mission Statement

The Western Ohio Home Builders Association, a professional trade organization established in 1955, is comprised of home builders, developers and affiliated businesses committed to support, promote and educate its members while establishing high industry standards and fostering professionalism and integrity. We are dedicated to serving the needs of the communities in which we serve through community planning, governmental interaction and charitable activities, all of which supports the American dream of homeownership.

## Code of Ethics

We pledge allegiance to the following principles and policies:

- Our paramount responsibility is to our customers, our community and our country.
- Honesty is our guiding business policy.
- High standards of health, safety and quality shall be built into every home.
- Members shall deal fairly with their respective employees, subcontractors and suppliers.
- Members shall follow the construction guidelines established in the Industry Standards Manual.
- Members shall observe the residential performance guidelines established by the National Association of Home Builders as a standard for determining acceptable quality of materials and workmanship.
- We encourage research to develop new materials, new building techniques, new building equipment and improved methods of home financing, to the end that every home purchaser may get the greatest value possible for every dollar.
- All sound legislative proposals affecting our industry and the people we serve shall have our informed and vigorous support.
- We hold inviolate the free enterprise system and the American Way of Life.
- We pledge to support our local, state and national association contacts and all related industries concerned with the preservation of legitimate rights and freedoms.

We assume these responsibilities freely and solemnly, mindful that they are part of our obligation as members of the Western Ohio Home Builders Association
